“Parties and counsel have used Bruce McIntosh and would overwhelmingly use his services again and without hesitation, recommend him to others. Typical of the comments reflecting Mr. McIntosh’s accessibility I have had other mediations over the years, Mr. McIntosh achieved outstanding results because of his trial experience and skills, and because of his preparedness. He is well respected by his peers, as evidenced by his membership as a Fellow in the American College of Trial Lawyers and an advocate in the American Board of Trial Advocates, both by invitation only and extensive trial experience required, as well as professionalism. Mr. McIntosh’s considerable skills as an accomplished trial lawyer made all the difference in reaching successful outcomes in all the mediations that I have been involved with him; his experience, personality, honesty, even handling the parties as well as his knowledge of both sides, persistence in trial experience made a decisive difference in the outcome; he understood and clearly explained the risks of trial to both sides and was able to explain the benefits of settlement; Mr. McIntosh had the ability to work with the injured party, to show empathy and understanding with their situation, empowering them to settle. He also has an excellent reputation with a defense position. No reportable negative comments have been received since Mr. McIntosh’s designation as an IMI certified mediator.”
