

2022 CORPORATE COUNSEL COLLEGE SPONSORS

Thank you to our sponsors for their support and commitment. Please contact our sponsors and let them know you heard about them at the IADC Corporate Counsel College.

BAYLOR LAW EXECUTIVE LL.M. IN LITIGATION MANAGEMENT

<https://llm.baylor.edu>

The Baylor Law Executive LL.M. in Litigation Management offers career-boosting expertise in handling litigation more efficiently, effectively, and with outstanding excellence. Designed for experienced, working attorneys, the hybrid online and in-person program provides access to national experts and cutting-edge resources and education. Graduates of the program describe immediate return on their investment by applying their knowledge to recognize cost savings and improved processes in their firms and corporations. If you are looking for a way to transition in-house, be more effective in your current position, or serve your clients better, this is the degree for you. As the only LL.M. in Litigation Management, Baylor has gathered the litigation management expertise needed in today's litigation world.

EXPONENT

<https://www.exponent.com>

The Exponent name is recognized for its integrity, objectivity, independence, and professionalism. Our corporate core values drive a commitment to client service that enables us to provide consistently high quality work to clients worldwide. For more than 50 years we have provided engineering, scientific, environmental, and health consulting services to corporations, insurance carriers, government agencies, law firms, and individuals. The firm has been best known for analyzing accidents and failures to determine their causes, but in recent years it has become more active in assisting clients with human health, environmental, engineering, and regulatory issues associated with new products or processes to help prevent problems in the future.

JENSEN HUGHES

<https://www.jensenhughes.com>

JENSEN HUGHES

EXPERT INVESTIGATION + FORENSIC ANALYSIS TO PROTECT YOUR WORLD.

Jensen Hughes is a global multidisciplinary engineering firm that offers consulting services as well as expert witness support to help you investigate a wide variety of failures. Our international team of fire, electrical, mechanical, civil, structural, geotechnical, architectural, chemical, materials specialists, and biomedical engineers work together to investigate small and large-scale, complex losses. Our investment in research and development and dedication to rigorous scientific process means we are industry leaders in conducting complex forensic investigations and in-depth analysis. Forensic engineering services at Jensen Hughes provide you with detailed examination and reporting that is communicated clearly, on-schedule, and can serve as expert witness testimonial across many different failure analysis disciplines.

LATITUDE

<https://latitudelegal.com>

Latitude specializes in providing former in-house counsel and Big Law attorneys – in addition to paralegals, legal operations professionals, and compliance officers – for sophisticated legal roles to leading legal departments and law firms nationwide. Our clients range from Fortune 500 corporations to small companies and Global 50 law firms to boutiques. We directly employ legal professionals, and our flexible contract options make it easy to hire our talent. Outstanding attorneys and other legal talent are attracted to our company by the engaging work, great clients, competitive pay, and benefits along with a refreshing combination of flexibility and boundaries.
