

## Come join us in “the painted desert” ...

We are so excited to welcome you to one of our favorite destinations to connect with each other...in person! Join us for the 2022 Midyear Meeting, February 19 to 24, at the JW Marriott Camelback Inn in Scottsdale, Arizona!

Meeting attendees will experience the IADC’s new wildly important goals (WIGs) in action: engagement, relationships, and referrals. The entire meeting has been crafted around these WIGs. Every program, every event, and every gathering—even the technology—has been designed to allow members to dig deeper into the Association, expand their referral networks, and build lasting relationships.

The environments we’ve created are fun and frictionless. We will have educational sessions in the mornings; golf, pickleball, tennis, hiking, and tours in the afternoons; and receptions and parties in the evenings. Here are some highlights:

- IADC APP-y Hour Welcome Reception
- Speed Networking
- 21 hours of CLE curated by the 2022 Midyear Meeting CLE Committee and its Chair Kirsten Abel
- *Heroes and Outlaws* Theme Party
- *Denim and Diamonds* Closing Party—leave your tux and gown at home
- Networking events for solos, under 45s, first and second time attendees, and international members
- Hot daily breakfast with bacon

We know that in-person meetings allow for the best networking and connection experience, but we continue to provide a virtual option if you can’t join us in person. Our Virtual Midyear Meeting will be held on March 2 to 4. The virtual experience will be a taste of the in-person meeting. Select CLE will be available in an on-demand format, as well as virtual networking events.

We look forward to seeing you in Scottsdale and online and sharing everything we have planned for you!

- *Spencer and Kat Silverglate, Convention Chairs Manuel and Paulina Moctezuma, and Mark and Anne Beebe*
