Transportation

The major airport serving Mexico City is the Mexico City International Airport (MEX AICM). US carriers fly nonstop to Mexico City from major US cities. UBER and authorized taxi services must be used. *Porto Taxi*, *Nueva Imagen*, and *Excelencia* are authorized taxi companies servicing from Terminal 1 and Terminal 2 at the Mexico City Airport. Depending on the time of day and traffic, the distance from Mexico City Airport to suggested hotels is approximately 45 minutes to 1 hour.

Health and Safety

Mexican authorities do not require foreign nationals to be vaccinated or tested for COVID-19 before attending the meeting. Masks are not required in any public spaces. With regards to safety, increased caution is recommended particularly at night, outside of the frequented tourist areas. The meeting will be held in the Polanco area where police patrol frequently. Petty crime occurs frequently in both tourist and non-tourist areas. Do not wear expensive watches or jewelry. There are no restrictions on travel for U.S. citizens in Mexico City.
