

THANK YOU TO OUR SPONSORS

We could not provide as many member benefits without their support! When you are looking for a service partner, please contact our sponsors and let them know that you know them through the IADC!

Our Core Connection Sponsors have invested in IADC meetings throughout the year. Thank you to them for their significant commitment.

CORE CONNECTION LEVEL ONE

Know.

A powerful resource in litigation for more than 50 years, S-E-A is a multi-disciplined forensic engineering, fire investigation, product testing, and visualization services company specializing in failure analysis. S-E-A's full-time staff consists of licensed/registered professionals who are experts in their respective fields. S-E-A offers complete investigative services, including: marine, mechanical, biomechanical, electrical, civil and materials engineering, as well as fire investigation, industrial hygiene, toxicology, visualization services, and health sciences — along with a fully equipped chemical laboratory. Together, these disciplines interact to provide thorough and independent analysis that will support any subsequent litigation.

CORE CONNECTION LEVEL THREE

At InQuis, we strive for excellence in providing a variety of expert services, including life care planning, vocational rehabilitation and wage loss analysis, and litigation consulting. Our in-house consultants are experienced and credentialed life care planners and vocational rehabilitation counselors, in addition to being nationally recognized experts in their respective fields, and handle cases within the areas of automobile and trucking, personal injury, medical malpractice, products liability, premises liability, toxic tort, and workers compensation. Their knowledge of their areas of expertise, as well as experience testifying in and out of court, allows InQuis to facilitate optimum outcomes grounded in evidence.
