

## THANK YOU TO OUR SPONSORS

We could not provide as many member benefits without their support! When you are looking for a service partner, please contact our sponsors and let them know that you know them through the IADC!

**Our Core Connection Sponsors have invested in IADC meetings throughout the year. Thank you to them for their significant commitment.**

### CORE CONNECTION LEVEL ONE

#### Know.

A powerful resource in litigation for more than 50 years, S-E-A is a multi-disciplined forensic engineering, fire investigation, product testing, and visualization services company specializing in failure analysis. S-E-A's full-time staff consists of licensed/registered professionals who are experts in their respective fields. S-E-A offers complete investigative services, including: marine, mechanical, biomechanical, electrical, civil and materials engineering, as well as fire investigation, industrial hygiene, toxicology, visualization services, and health sciences — along with a fully equipped chemical laboratory. Together, these disciplines interact to provide thorough and independent analysis that will support any subsequent litigation.
