

IADC Trial Academy

Student Assignments

All student demonstrations will be recorded. Students will be given a flash drive to save their recordings after reviewing them with their faculty member.

To find your student number, refer to the Faculty-Student Groups document. The number listed next to your name is your student number for purposes of your assigned demonstrations below. **Please note that your specific Faculty-Student Group number is important to your specific assignment for the direct and cross examination demonstrations.**

Sunday, August 2: Opening Statements

Students must report to their classroom by 1:45 p.m.
