

## **Julian Miller**

Julian Miller is a defence and coverage lawyer, and a partner of DAC Beachcroft LLP in London. His work covers a variety of classes including financial institutions, professional malpractice, products liability and reinsurance. He has worked extensively with overseas attorneys, handling Bermuda Form coverage disputes, advising on forum, securing evidence for proceedings overseas, enforcing overseas awards and judgments. Julian has long been recognised by Chambers, Legal 500 Superlawyers and other directories, being described as a "*very experienced lawyer who is good at running teams, is very calm and always has his eye on the final result*".
