By definition, a hideout (planque) is a warm hidden place. This is the kind of place where you can take shelter. Safe from what? Shelter from our Quebec storms, away from our routine, away from worries... Away from what you want eventually! We created the "Planque" to put in a safe place for what we kept us most at heart: quality food, good wine, tasty beer and music that makes us smile.

**Pain Béni**
