

## **Greg Williams**

Greg Williams is an experienced litigation lawyer with particular expertise in the defence of class actions and product liability litigation, as well as advising the pharmaceutical and medical device industries on regulatory issues.

He has been involved in some of Australia's most significant class actions, including the Vioxx class action, the Gravigard Class Action and the Storm Financial class action for the Commonwealth Bank of Australia. He is currently acting for the Volkswagen Group in five diesel emissions class actions in the Federal Court of Australia.

Greg also has considerable experience in establishing, implementing and managing consumer remediation schemes. He advised the Commonwealth Bank of Australia CBA in relation to the establishment and conduct of its Open Advice Review Program, the largest program of its type in Australia.
