

Justin Wu

Justin Wu has a Bachelor in Music Business from the University of Miami and a Master of International Business from Florida International University. He has been a student and enthusiast of cryptocurrencies since 2013. In 2014 he discovered the Ethereum white paper, and has been active in the Ethereum space ever since as a researcher. In 2016 he co-founded Etherify, which is the first blockchain focused consulting firm in Portugal. Nowadays he is an advisor and blockchain strategist for several startups who are in the process of doing an Initial Coin Offering (ICO).
