### **THE PRESENTATION:**

#### **Damages Recoverable in Delay of Construction Coverage in Builders Risk Insurance**

This Webinar will examine recoverable expenses in the categories of both hard and soft costs under the delay in construction coverage provisions of builders risk insurance policies, as well as common sources of litigation involving same, and the review of case law regarding items which are and are not recoverable under these policies.

This Webinar is intended to assist members who represent insurers, contractors, and developers in litigation related to construction delays and the payment of costs relating to same.
